

Friends of Hatfield Park is a scheme open to those permanently residing within the traditional Parish boundaries of Bishops Hatfield. It is intended to afford regular access to Hatfield Park to those within the local community who wish to enjoy the special nature of Hatfield Park whether that is its history, its Park and woodland landscapes, a place to meet friends or simply to find an opportunity for quiet relaxation. In offering membership to the scheme, we ask that you consider and understand the following rules and stipulations. These are not intended to be draconian or authoritarian but are offered to avoid misunderstandings, risks of injury, or damage to the wonderful environment within Hatfield Park.

Hatfield Park Estate is private property and is a working estate. You will routinely experience activities associated with the day to day management including forestry, farming, wildlife and building conservation. There are no public rights of way within the Park boundary and all routes are permissive in nature. Access to Hatfield Park via the Friends of Hatfield Park scheme is afforded by annual membership, bound by the following conditions of entry which must be adhered to. You will see our Park Code of Conduct on display, both on the website and when visiting the Park – we strongly encourage everyone to read and understand the Code. Our staff will be happy to address any questions.

We wish all visitors to Hatfield Park to enjoy their experiences and share our desire in ensuring the Park is cared for and valued. Our staff are committed individuals and will do their very best to help or address enquiries where appropriate. Any abusive behaviour, either verbal or physical, directed at any member of Estate staff either generally or in connection with the enforcement of the following terms & conditions is unacceptable and will not be tolerated. Such behaviour will result in privileges being withdrawn without any refund.

Hatfield Park Estate is private property and if deemed necessary, Gascoyne Estates reserves the right to refuse entry or to escort persons immediately from the premises where it is reasonably held that individuals are failing to uphold conditions of the Park Code or following Terms and Conditions.
